25X1A DD/A [REDACTED]

25X1A9a 1. Met with Messrs. Saunders and [REDACTED] and Messrs. Macy, Perry, and Hamilton, Bureau of the Budget, to discuss the Budget for Fiscal Year 1956. It was the consensus that by 5 July 1954 we could agree on a planning figure for 1956 and that prior to that time we would try to arrange for Mr. Hughes, Director, Bureau of the Budget, and Mr. Dulles to get together, preferably during the week beginning on 14 June 1954.

2. Messrs. Perry and Hamilton stated that they wanted to sit down with Frank Wisner and a couple of his people to go further into the DD/P shop, emphasizing, however, that they did not want any information concerning specific operations. They also indicated that they had heard rumblings of disagreements between CIA and the Department of Defense and stated that they would like to talk with someone who could express CIA's views on the proposal by the Air Force to run clandestine operations of their own.

25X1A9a 3. Returned to [REDACTED] the "Certificate of Necessity" in connection with the expenditure of approximately \$50,000 for the remodeling of  
25X1A6a the air conditioning equipment at our [REDACTED] Printing and Reproduction Plant stating that I would need to have a complete justification.

25X1A9a 4. In a telephone conversation with [REDACTED] requested that he see to it  
25X1A6d that the Records Management Staff was moved from the first to the second floor of Building [REDACTED] and warned him that the Staff might have to move again in a couple of months. This move is necessary in order to make way for a sensitive project of very high priority.
